The Speech House Hotel, is a former 17th century hunting lodge set in the heart of the idyllic Royal Forest of Dean, Gloucestershire. Overlooking the romantic wilderness of the surrounding Forest of Dean, The Speech House Hotel offers comfortably appointed bedrooms, several with four-poster beds. The Hotel has 37 bedrooms which offer modern facilities whilst retaining their original charm. We are dog friendly with rooms in the courtyard subject to availability, and dogs are welcome in the Orangery and garden but not in the Verderer's Court restaurant. With so many opportunities to walk in the Forest of Dean, if you have a dog, it would be a shame not to bring your 'best four legged friend' along. The Speech House Hotel is proud to say that it is a dog friendly hotel, and that guests have a great opportunity to go on holiday with their dogs, and stay in a pet friendly bed & breakfast hotel.
