

Chichester Self Catering

Living Elements, 1 Keynor Lane
Sidlesham
Chichester, Chichester PO20 7NL
United Kingdom

Phone: 07769 746113

Chichester Self Catering - here to make your holiday a success! Choose either Living Elements (8-10) or Nature's Elements (4-6) for your holiday - or both for a larger party! Both have large gardens, hot tubs, wheelchair access and plenty of parking. Travel cot and high chair supplied with each house. Close to beaches and outstanding Harbours, the South Downs as well as being only 8mins from Chichester City. We are blessed with a plethora of visitor attractions locally - free and paying - for all interests and abilities and ages. If you wish to stay at home you have DVD TV's, wifi, a small library, the gardens and hot tub / sauna to enjoy and relax with. There is a comprehensive house handbook to help navigate you around the area, with maps, dog walks etc and places to eat which we recommend. Also all those other bits and pieces you may find helpful, plus plenty of visitor information. We can cater for extended party groups - from 4-16 plus 2 child cots, all subject to agreement. On site there is also a natural health clinic - Living Elements Clinic - where you can receive cranio-sacral / Osteopathic and other treatments during your stay - to treat and pamper you and also get you in tip-top health. www.livingelements.co.uk and <http://vitalelements4health.com> So - have a look at the house website, especially our dedicated Dog-Friendly web page and if you like what you see - email or call me to make a reservation. Thanks. Gayle Palmer
