Dromard House is a traditional Ulster farmhouse, beautifully situated 2 miles east of Enniskillen, County town of the Fermanagh Lakelands. The location is excellent, being central for all the attractions and venues of the County. We farm 180 acres of mixed lake shore ,pasture and woodland, and have awards for Woodland and Countryside management, and farm Conservation. We have developed a path through the woods down to the shore of Lough Erne at Tamlaght Bay. Guests are also welcome to use the gardens to relax in, and we have a childs play area with swings, slide and a trampoline. The Granary Suite is in the old granary which we have converted into a comfortable, modern one-bedroomed apartment. It is at first floor level, accessed by outdoor stone steps. It comprises one double bedroom, a bathroom with a bath and shower over the bath, and an open plan kitchen/living room.
